Today was a special day for North Memorial School students and staff. We were introduced to some special volunteers. North Memorial School is proud to partner up with the MANITOBA FIRST NATIONS POLICE RECRUITS. They will be joining our staff on walking school bus in the mornings as well as preparing breakfasts until approximately April. What a great way to build community with all of us. We are so thankful for this opportunity and we thank Corporal Smoke for bringing everyone to our special introductory assembly today.
